

SATAN

Shut up, Mabel!

MABEL

Who's gonna make me?

SATAN

Me!

Satan makes a sudden flinging motion, as if he's thrown something. Mabel flinches.

ESPERANZA

Mabel!

MABEL

Kill him or he'll... Knife.

Now we see a knife sticking from Mabel's bloody throat. She makes a gurgling sound and falls dead.

ESPERANZA

What did you do?! Why are you in my room?!

SATAN

You know why!

ESPERANZA

Stay away from me!

SATAN

Why do you think I gave you this room?!

ESPERANZA

Don't make me kill you!

SATAN

You think you can?

ESPERANZA

I'll cut your fucking head off!

SATAN

Try it! You'll end up in a mental institution!

ESPERANZA

I don't care!

SATAN

Look at my dick! Look at it!

ESPERANZA

Back the fuck up!

SATAN

You think that sword scares me?

ESPERANZA

It's Canadian steel, motherfucker!

SATAN

It's plastic! It's make believe! Here's what I think of your fucking Canadian bullshit!

ESPERANZA

Stop!

He grabs the sword, breaks it, and throws it
aside.

SATAN

It's nothing! You can't kill the devil with make believe!

ESPERANZA

Get real! I can kill anything with make believe!

SATAN

You're such a child. Come here! Come here I said!

ESPERANZA

Don't hurt me! Please don't hurt me!

SATAN

You're mine!

ESPERANZA

Mama! Mama! Aidez-moi a me noyer!

SATAN

No one's going to help you! Your mother's dead!

ESPERANZA

You're wrong! God will help me!

SATAN

There is no God!

ESPERANZA

HELP! HELP! (Searches her pockets and finds a peanut. Shouts to the window)
Come! I HAVE A PEANUT!

A huge lion roar. A GIANT SQUIRREL appears in
the window. Satan is scared.

SATAN

That fucking Squirrel!

ESPERANZA

He's my friend!

The Squirrel roars like a lion.

SATAN

Tell him to go!

ESPERANZA

No! I gave him nuts and he loves me! (She throws the peanut at Satan.) He
has nuts! Bite him! Bite his nuts off!

The Squirrel roars again, attacks Satan, snapping
off his big fake phallus.

SATAN

Aaaaa! My dick! My dick! He bit off my dick!

ESPERANZA

You should be ashamed! You should die of shame!

SATAN

I'll be back! I'll grow another dick!

Esperanza retrieves the knife from the fallen Mabel. Satan staggers around, wounded in the crotch. The Squirrel retreats to the window and jumps out. Esperanza stabs Satan in the heart.

ESPERANZA

No. You will die! There!

END

Satan groans and falls dead. She drops the knife, and goes to the toy chest. She opens it, reaches in, and pulls Collette out of Hell. Collette has a gentle French Caribbean accent.

ESPERANZA

Mama, I'm here!

COLLETTE

Esperanza!

ESPERANZA

Mama!

COLLETTE

I'm sorry for my death.
