

START

ESPERANZA

Santa mierda!

MABEL

Esperanza!

ESPERANZA

Who are you?!

MABEL

I am Canadian!

ESPERANZA

You're naked!

MABEL

I hate clothes.

ESPERANZA

Get over it. I don't need to be seeing your lap dance outfit.

Esperanza snatches the Robe off the Mirror and hands it to Mabel.

ESPERANZA

Here. Put this on.

This wakes the Mirror up.

MIRROR

What's going on? Who's that girl?

Mabel puts on the Robe.

ESPERANZA

She's a... I don't know who she is.

MABEL

I'm Mabel! From Canada. But you can call me fabulous.

ESPERANZA

Okay.

MIRROR

Are you a queen?

MABEL

Maybe.

MIRROR

Come look at me, Mabel!

MABEL

Who are you?

MIRROR

Look.

Mabel preens in the Mirror. She's wearing the Robe and wielding the sword.

MABEL

I've never seen myself before. Except in a puddle. I'm kinda hot.

Mabel does a couple of samurai moves in the
Mirror.

MIRROR

We're amazing together.

MABEL

I work alone.

ESPERANZA

Why are you here?

Distracted by the Mirror, Mabel holds out the
sword to Esperanza.

MABEL

I'm here because your mother is in Hell.

ESPERANZA

I don't care.

MABEL

I bring you this sword.

ESPERANZA

I don't want it.

MABEL

Well, I didn't want the Robe. Everybody's got to take on stuff they don't like. That's life!

ESPERANZA

Alright.

Esperanza takes the sword.

ESPERANZA

What do I need this for?

MABEL

You're gonna need that sword to save Collette.

ESPERANZA

Who?

MABEL

Your mother.

ESPERANZA

I don't call her by her name yo. (Re: the sword) It's plastic.

MABEL

It was the best I could find.

ESPERANZA

Doesn't matter. I'm not saving anybody but me.

ROBE

I gotta move! Alexa! Play TAKI TAKI!

TAKI TAKI by Selena Gomez plays, and Mabel starts dancing and lip-syncing in the Mirror.

MABEL

What? What? What am I doing?

ESPERANZA

You're dancing.

MABEL

But it's not me!

MIRROR

We're dancing!
